

Company News Announcement

Casey Warren Joins BlueLevel Team as Sales Engineer!

May 2, 2011: In the latest move by BlueLevel technologies to continually strengthen its service and support functions for all customers, we are pleased to announce that Mr. Casey R. Warren has joined BlueLevel technologies in the role of Sales Engineer. Casey brings several years of customer support and sales experience to BlueLevel along with a superb attitude and approach to providing BlueLevel's unique expert service to customers.

Joe Lewis, Managing Director of BlueLevel Technologies, indicates that "the addition of Casey Warren to our sales and support functions adds a key component to our team". "His exuberance for top level customer service and continuous positive attitude will mean success for BlueLevel Technologies customers and Casey." Casey will focus on key Midwest areas including southern Wisconsin, Illinois, Indiana, Iowa and eastern Missouri.

For more information please contact Mr. Joe Lewis at BlueLevel Technologies, 888-61LEVEL (53835), 815-625-2224 or by email at joe@blueleveltechnologies.com. Casey can be reached at these numbers and email at casey@blueleveltechnologies.com.
